1rst application AMI & AAP

CHARTE DE LA SCIENCE OUVERTE

Université Côte d'Azur entend mobiliser l'ensemble de sa communauté scientifique pour s'engager résolument sur la voie de la science ouverte, en accord avec le 2ème Plan national pour la Science Ouverte (2021-2024), les préconisations de la Coordination des Universités de Recherche Intensive Françaises, en tenant compte de la feuille de route du CNRS pour la Science Ouverte (2019) et de la Recommandation de l'UNESCO sur une science ouverte (2021). Elle s'engage à se doter d'une feuille de route de la Science Ouverte qui sera régulièrement révisée et validée par son Conseil Académique.

Ouverture des données et des méthodes de la recherche

Université Côte d'Azur invite ses chercheurs à ouvrir leurs données en veillant au respect des principes F.A.I.R. (Faciles à localiser, Accessibles, Interopérables, Réutilisables). Elle s'engage à aider les porteurs de projet dans la conception de leur plan de gestion des données (Data Management Plan).

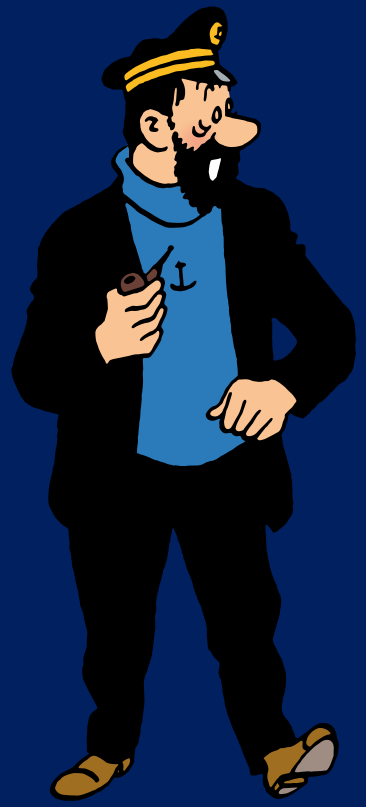
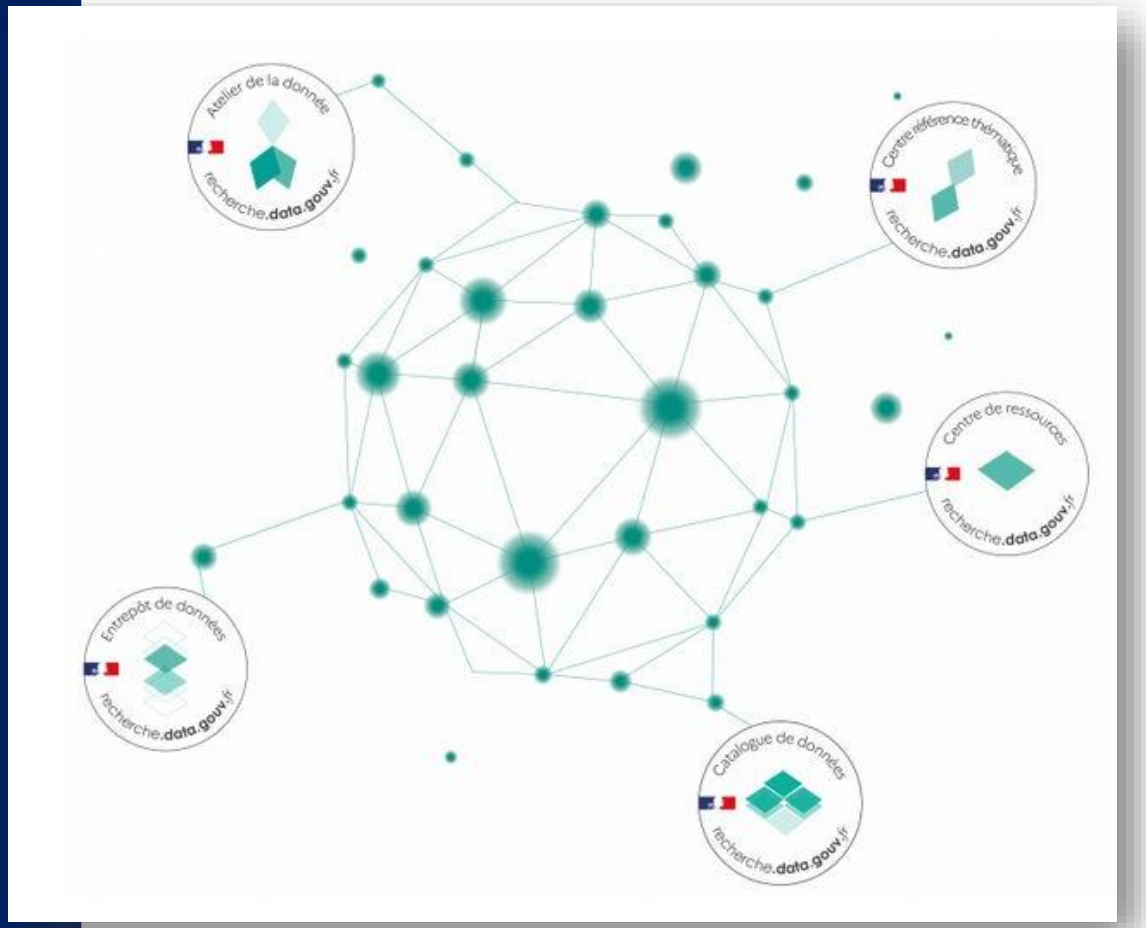
Open Data at University Cote D'Azur





DATAZUR Objectives

- Raising awareness, advising and guiding the scientific community

- Creating a training offer to improve the skills of researchers and doctoral students.

- Identifying and responding to Data structuring, storage and dissemination needs

UNIVERSITÉ CÔTE D'AZUR

Master Class Open Science

Écoles Doctorales SFA – SMH – STIC – SVS

Friday 16 February 2024

CAMPUS VALROSE – THEÂTRE DU GRAND CHÂTEAU

Session 1 – Open Science: A Challenge for Research

9h00-9h15
Welcome Coffee

9h15-9h30
Opening of the Master class

9h30-10h15
Open Science: A Challenge for Research at Université Côte d'Azur, **Anne BROGINI** (Vice-President Open Science and Documentary Policy) & **Sarah HURTER-SAVIE** (Director, Common Service of Documentation – SCD).

10h15 -10h30
Open Science and Visibility, **Yasser MAGHRBI** (Director Research Operations, IDEX).

10h30-10h45: Coffee-Pause

Session 2 – Managing, Exploiting, Publishing

10h45-12h15
Open Data: An Ecosystem with Rules and Tools, **Hervé DELINGETTE** (Directeur de recherche, Inria) & **William DEMET** (Référent Données de la Recherche SCD-DATAZUR).

12h15-13h00
Open Science Publishing Models, **Thomas GUILLEMAUD** (Peer Community In).

13h00-14h15: Lunch-Pause

14h15-14h30
Focus on a Diamond Model: Epi-Revel, A representative of the Academy 5.

14h30-15h30
Editorial Models: Some points to bear in mind
- *Subscriptions and Transformative Models* – **Maria-Livia CADIS** (Documentary Policy Librarian, SCD).
- *Warning! Predatory Reviews!* – **Xavier BORDA** (Research Services Librarian, SCD).
- *Creative Commons and research's rights* – **Xavier BORDA** (Research Services Librarian, SCD).

Session 3 – Submitting your Data to an Open Archive

15h30 – 15h45
Researcher's digital identity, **Rocio CALVO-DOMINGUEZ** (SCD).

15h45- 17h00
HAL, ArXiv, Zenodo, **Gabriel GALLEZOT** & **Nicolas HOCHET** (Urfist Méditerranée); **Solen COZIC** & **Rocio CALVO-DOMINGUEZ** (SCD).

Workshop HAL (SCD – Urfist Méditerranée)
Workshop ArXiv (SCD – Urfist Méditerranée)

17h00: Coffee – End of Session

JOURNÉE CYCLE DE VIE DES DONNÉES EN BIOLOGIE

4 AVRIL 2024

Open Badge Open Science

- To make visible and recognize what has been learnt in the Open Science Master Class
- To validate skills
- To motivate: bonus in a learning path and on a CV

- Deliverable by email
- Downloadable: pdf / virtual
- Shareable on social networks, LinkedIn profile …

OB for Doctoral Tutors

- **Proposing to PhD students who have mastered data and Open Science to train their peers** (leading Master Classes, Data Sessions, HALathons on labs, etc.)

- Tutoring exclusively based on voluntary work

- Validation in doctoral training: **1 hour of tutoring is worth 6 hours of training**

- Validation of an **Open Badge Open Science Tutorial**
